

# EIGHTH *Chapman's* ANNUAL Red Tag Sale!

The commercial world is essentially honest. It was old Abe Lincoln who said, "You can humbug some people all the time, all the people sometimes, but you can't humbug all the people all the time." Barnum was evidently dreaming of this old man when he said, "the people want to be humbugged," and he proceeded to paint his elephant white. Lincoln spoke in "sentiments," Barnum in "dollars and cents." You may measure this for what it is worth and draw your own conclusions.
